

Letter to the Editor 5-23-17

Kudos for Brennley

It is not every day that we have a High Desert resident that has reached the level of prominence and notoriety of Ms. Brennley Brown, a recent contestant on "The Voice." Ms. Brown did an outstanding job on the program and her performances were an inspiration to all High Desert residents, especially our young people.

As a trustee at Victor Valley Community College District, I believe that it is absolutely imperative that we continue to encourage our younger generation to reach for the stars and seek the highest level of success possible. Without this encouragement, many of them will falter. The greatest benefit I receive as a Trustee is to witness the success of our youth.

I hope that all residents of the High Desert region will join me in offering our sincerest congratulations and gratitude to Brennley Brown for her outstanding accomplishment.

Joseph W. Brady

President, The Bradco Companies

Trustee, Victor Valley Community College District
