Supports Brady

Joseph Brady for Victor Valley College Board of Trustees. I have lived in the Victor Valley for 35 years. I think the darkest time was when our college lost its accreditation and was deficit spending. It was a huge crisis. We had a college president who could not make it right and a pro special interest Board of Trustees.

Our college is now something our High Desert community can be proud of! Joe Brady gave the leadership and led the way. Thanks to the Board of Trustees who worked right alongside him we now have a new and highly qualified college president, our accreditation is in good standing and the college is financially in the green.

Let's keep it that way! Vote for Joseph W. Brady for Victor Valley College Board of Trustees!
