

JOSEPH W. BRADY
FOR VICTOR VALLEY
BOARD OF TRUSTEES

Vote for Joseph W. Brady on November 6th, 2012 for Victor Valley Community College District Trustee

- Recognized regional businessman and leader who has helped create through The Bradco Companies nearly 10,000± jobs since 1988. Publisher of 51 editions of the Bradco High Desert Report Since May of 1993.
- A fiscal conservative who understands how to make tough financial decisions to insure the schools long-term success.
- I strongly advocate that Victor Valley Community College District needs a very strong Board of Directors who set policy through the President/Superintendent and have a method to track the Board of Trustees goals which includes increased transfer, graduation and certification rates.
- To ensure that Victor Valley Community College immediately regains its accreditation.
- Wants to ensure that Victor Valley Community College operates within its budget and insures an increased amount of transfer, graduation, and certification rates.
- To insure that we can find alternative methods to balancing our budget rather than balancing the budget on the back of our students by reducing classes etc.
- Wants to continually encourage the Board of Trustees and the President Superintendent to have increased and a highly transparent dialog with High Desert employers, our nearly 152,215± registered voters and our 400,000± residents that live within our 1,700± square miles
- Wants to continually remind people why the Board of Trustees are elected, and that is to insure student success
- Wants to insure that Victor Valley Community College has an excellent working relationship with all the High Desert employers and that we are offering the classes that will enable a balance and growing High Desert economy
- Wants to see the board of Victor Valley Community College increased transparency, accountability and responsibility to all students (stockholders, shareholders, stakeholders), faculty, employees, tax payers and High Desert stake holders to decisions that are made
- Joseph W. Brady believes in transparency, and is not aligned with any special interest group at Victor Valley Community College, allowing him to make independent and business like decisions that are in the best interest of our students, employees, faculty and tax payers

If you would like to help out our campaign financially or in any other way please feel free to contact Joseph W. Brady personally at (760) 954-4567 or by email at JBrady@JoinJoeBrady.com
